EDUCATION

Bachelor of Technology-Mechanical Engineering

Andhra University

06/2016 - 05/2020

8.72 CGPA

Project

- Experimental Investigation of Behavior of Diesel Engine using Pongamia Oil Methyl Ester as a Fuel at Different Injection Pressures
- Fire foughted AGV with Digital Controller

Intermediate-M.P.C

Sri Chaitanya Junior College

06/2014 - 04/2016

95.5%

Clubs

- Actively participated in NSS(National Service Scheme)

Metriculation

Z P High School

06/2013 - 05/2014

9.3 CGPA

Clubs

- Actively participated in National Green Corps

PERSONAL PROJECTS

React Blog App (02/2022 - 03/2022)

- It includes capabilities React.JS and React Router mainly. While developing this project I understand that how I can create multiple components in React like Smart Components and Dummy Components and how to modify and do data operations within component using state variables and how to communicate between two components props variables.

• [GITHUB](#)

• [REPO](#)

To do App (11/2021 - 01/2022)

- This projects includes JavaScript, CSS, HTML .I have created multiple components with same scripting and interpreted languages like To do App UI Web, To do App UI Mobile and To Do App JS.
- I have used multiple DOM functions which made the static application a dynamic one.

• [GITHUB](#)

• [REPO](#)

Digital Clock (12/2021 - 01/2022)

- Digital Clock created by using JavaScript and scripting language HTML and CSS . It includes multiple functions and created a clock and make it response on a particular time for taking tasks.

• [GITHUB](#)

• [REPO](#)

Building an HTML page (11/2021 - 11/2021)

- Backtracking created by using HTML. It shows how a normal text looks on windows.

• [GITHUB](#)

• [REPO](#)

SKILLS

React.JS

HTML

CSS

JavaScript

GIT

Communication Skills

Interpersonal Skills

Public Speaking

Leadership

Problem Solving

Critical Thinking

ACHIEVEMENTS

Learning Front End Development by Preppbytes (11/2021 - Present)

Learning HTML, CSS, JavaScript and done projects on these scripting and programming languages.

Gold Medal in Bachelors (05/2020)

Secured First Rank in Academics and got Gold Medal

INTERNSHIPS

Saffron Global Corporation (07/2021 - 10/2021)

Working as a Business Associate and working on Quality Maintenance in Saffron Global Corp .

AGIIT (01/2020 - 03/2020)

Management of Yaskawa Robots through Motoman Software and learned ladder logic and construct a Logic for AGV using PLC.
